Hole	Par	Yards	Legend
1	5	520	A good starting hole, this long, right Par 5, has trees down the left side and ends with a fairly flat green.
2	4	395	No. 2 is a Par 4 uphill with a pond on the right of the landing area. Two huge bunkers guard the green left and right. The green is undulated and appealing.
3	3	192	A long Par 3 over water. Bunkers are to the left of a flat green...a fun hole, but requires control.
4	4	365	A great Par 4 with a creek and trees to the right and a slight dogleg left. Green can be driven, but the smart play is an iron in the fairway off the tee. Bunkers surround the green.
5	3	99	Short and sweet. A Par 3 to a narrow three-level green surrounded by bunkers.
6	4	322	A creek in front of the green makes this short Par 4 a challenge. The best option is to hit a long iron to the sweet spot of the fairway, and from there a short iron to the green.
7	3	87	Don't go long on this short Par 3...there is a creek over the heart-shaped green demanding a well-controlled shot.
8	5	512	A fantastic Par 5! Play starts over a lake, then a creek, with many bunkers on the way to the green. The green is also tucked behind trees to the left.
9	4	408	A long Par 4 with a dogleg to the right. Bunkers surround the green to create a challenging finish.
Totals	35	2900
